Oxygen Concentrator Warranty Policy

This policy is applicable to the following products:

- Pawprint Oxygen Pro 5
- Phillips Respironics Everflo
- Drive DeVilbiss 525DS
- Drive DeVilbiss 1025DS
- Invacare PerfectO2
- ProO2 Pro 10

Aeronics Inc. (the makers of Pawprint Oxygen) warrants to the original purchaser of an Oxygen Concentrator Unit, of specific models as listed above, that it shall:

1. Conform to the specifications provided by the manufacturer
2. Be free of defects in material and workmanship for a period of twelve months (12) from the date of delivery to the purchaser.

To make claim under this warranty the Purchaser must:

1. Give Aeronics Inc. notice of breach of warranty within ten (10) days after the discovery of such breach.
2. Upon the request of Aeronics Inc., return the Concentrator unit via prepaid UPS label, which will be provided by Aeronics Inc., to Aeronics Inc.'s distribution site or other location as designated by Aeronics Inc.
3. If it is designated that the Concentrator or applicable component is in breach of the warranty, Aeronics Inc. will at its discretion repair or replace the unit without charge to the customer.

The cost of returning the Concentrator or component part to Aeronics Inc.'s distribution center will be paid by Aeronics Inc. If however, any Concentrator or component part returned by the Purchaser because of an alleged breach of warranty is found by Aeronics Inc. to not be in breach of warranty, then the Concentrator or component part will be returned to the Purchaser, shipping charges collect, and the Purchaser agrees to pay a service charge to Aeronics Inc. to cover the cost of handling and testing the Concentrator or component part.

This warranty is void if the Concentrator or any component part thereof has been damaged by accident, abuse, misuse, neglect, alteration, improper service, repair by other than authorized personnel, or other causes not arising out of defects in material or workmanship. Wear of

components in normal operation, and failures resulting therefrom, as determined by Aeronics Inc. are excluded from this warranty.

Aeronics Inc. makes no other warranties of any kind whatsoever expressed or implied with respect to the Concentrator or its component parts and all implied warranties including but not limited to warranties of merchantability and fitness for a particular purchase are hereby expressly excluded by Aeronics Inc.

Aeronics Inc.'s non-exclusive liability with respect to the Concentrator shall be to repair or replace (at Aeronics Inc.'s sole option) the Concentrator or any of its component parts that prove to be defective in materials or workmanship during the warranty period. Normal maintenance required during the warranty period is not included in this warranty. Battery and battery components are not included in this warranty.

No claim of any kind whatsoever against Aeronics Inc. with respect to the Concentrator or its component parts whether or not based in contract, warranty, negligence, strict liability in tort, or any other theory of law, shall be greater in amount than the purchase price of the Concentrator. Without limiting the generality of any of the foregoing, Aeronics Inc. shall in no event be liable for any special, indirect, incidental, or consequential damages.
